

Dear Customer,

It is with great pleasure to present to you, on behalf of all the team at Nuplas, our latest product catalogue.

As a family owned and operated business, we are here to provide you with good sound advice, quality products and reliable service at a competitive price that you have never seen before. We treat your needs and product requirements very seriously.

Nuplas specializes in the development and manufacture of plastic products and components for the building, civil and construction industries. Our reputation has been built on excellent customer service, competitive pricing, accurate and informed technical advice and our initiative in the development of new products.

As you read through this comprehensive catalogue, you will see products that represent quality and design features that have grown with us through the input of not only our team staff members here at Nuplas but also our valued customers. Another outstanding feature in this catalogue is the all new ordering document. This document when filled out can save both yourself and our sales team here huge amounts of time and money when processing your orders making sure that nothing is overlooked and all your needs are addressed to. "The one stop shop". This is what makes us the leader in our industry.

We trust you enjoy reading this bright and vibrant catalogue as much as we have compiling it, and on a final note would like to sincerely thank all our customers for their continued support over the years.

Kind Regards,

Ben Joyce

GENERAL MANAGER

NUPLAS GOALS

MISSION STATEMENT

A commanding and courageous company driven by automation, manufacturing challenges and techniques that are committed to customer friendship and service – whilst not being intimidated by opposition.

CORE VALUES

At Nuplas Pty Ltd we are committed to:

- › Maintaining honesty and integrity for our customers, suppliers and employees.
- › Ensuring a safe working environment and a proactive safety culture.
- › Maintaining a vibrant, positive, friendly and communicative work ethic.
- › Being prepared to listen to all customer and employee solutions for the moving forward and prosperity of the company and its staff.
- › Standing by committals without reserves.

OUR VISION

To manufacture and market plastic products that are financially suited and consumed by people all over the globe.

OUR TEAM...

OUR TEAM

Nuplas Pty Ltd can offer you excellent customer service together with the expertise and equipment to service all your product requirements. Our customer focus extends through to all divisions of our company. Our sales, research and development teams work directly with our customers to investigate and develop new products for specific projects. Our production team manufacture a quality product efficiently and economically. In addition, our logistics team will always keep you informed on the status of your order.

OUR PROMISE

- › We will offer you excellent customer service
- › We will offer you competitive pricing
- › We will work in partnership with you to provide answers to your product needs
- › We will provide solutions for any budget, need or dream
- › We will listen and learn and create products which reflect your philosophy, specifications and your customers' needs
- › We will use our expertise, knowledge and skills to provide a product that will give trouble free production
- › We will provide you with accurate technical advice
- › We will deliver on time, every time

OUR CLIENTS

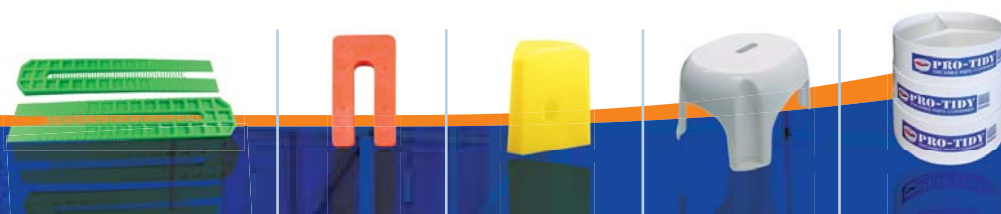

Nuplas Pty Ltd get close to their clients. Consider us an extension of your business. We have a stable and quality list of customers who keep coming back for more, because we aim to exceed their high expectations. We are proud to serve both large corporations and small wholesalers alike. Every customer has special needs, and we delight in meeting them, regardless of their size or stature. Nuplas Pty Ltd has 'preferred supplier' status with some of the largest names in construction suppliers throughout Australia.

RESEARCH & DEVELOPMENT

RESEARCH AND DEVELOPMENT

Nuplas Pty Ltd is committed to ongoing research and development to ensure we maintain our position at the forefront of our field. Our research and development group are supported by extensive resources and technologies to develop creative solutions to meet the changing needs of our customers. We work in partnership with our clients at product development stage to meet their specific needs, whether it be particular properties, colour matches, special effects or cost parameters.

REO BAR / PICKET SAFETY CAPS

» DESCRIPTION

A plastic cap used in conjunction with reo bars and star picket posts to expose danger areas on the construction fields, for the safety and protection of persons and machinery. Please be aware that this product is not designed to save impacts or impalements, but may reduce the seriousness of injuries if or when they occur.

WINDOW PACKERS

» DESCRIPTION

Designed primarily for the window and glazing industry, these small horse shoe styled packers are used extensively throughout the building and construction industries. They assist with the levelling and packing of commercial shop fronts, cabinets, windows, doors, jambs and many other applications. Made from high quality material, these products are colour coded for easy selection, and come in a range of thicknesses and sizes. All window packers are tried and proven in the field and have been fully tested for load bearing and compression (results available upon request).

» FEATURES

- Colour for easy identification
- Will not rot
- High compressive strength
- Will not shrink
- Termite proof
- Constant thickness

PANEL SHIMS

» DESCRIPTION

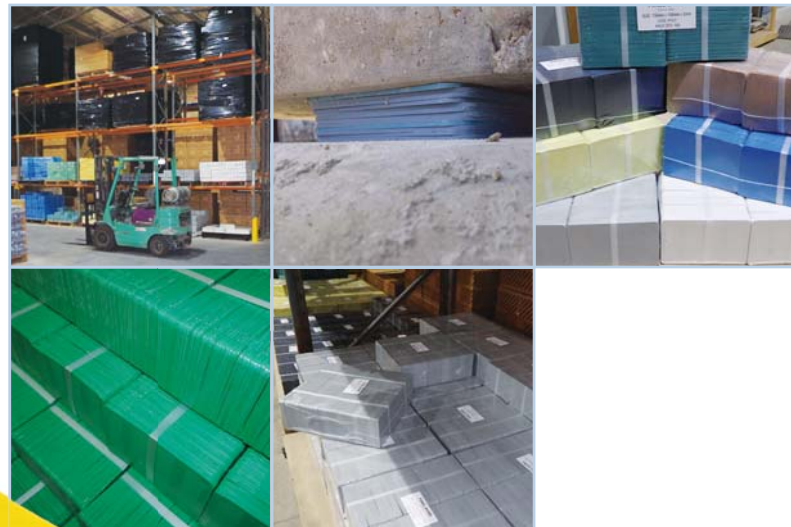

Designed for levelling and packing objects with a high load mass. Ideally suited to pre-cast concrete panels in the industrial, commercial and civil construction industries. Each shim is colour coded for easy selection, contains ribs for non slippage, is made with premium quality materials and are proven and tested out in the field.

Part No.	Thickness	Colour	Pack Qty	Pallet Qty
PPS01	1.0mm	Brown	200	33600
PPS02	2.0mm	Blue	200	28800
PPS03	3.0mm	Green	100	19200
PPS05	5.0mm	Yellow	100	12800
PPS10	10.0mm	Black	40	6400
PPS15	15.0mm	Grey	40	4320
PPS20	20.0mm	White	30	3240

» SIZE 150mm x 100mm

» TEST RESULTS

All panel shims are certified and meet current Australian standards. Test results are available upon request.

HALF PANEL SHIMS

» DESCRIPTION

Once again designed for the levelling and packing of objects with high load mass. As it's name says... these shims are half the size of the panel shims. Ideally suited for, but not limited to, the pre-cast panel industry. Each shim is colour coded to match its bigger brother for thickness identity and also contains ribbing on the faces for non-slippage. Also made from high quality materials, proven and tested in its field.

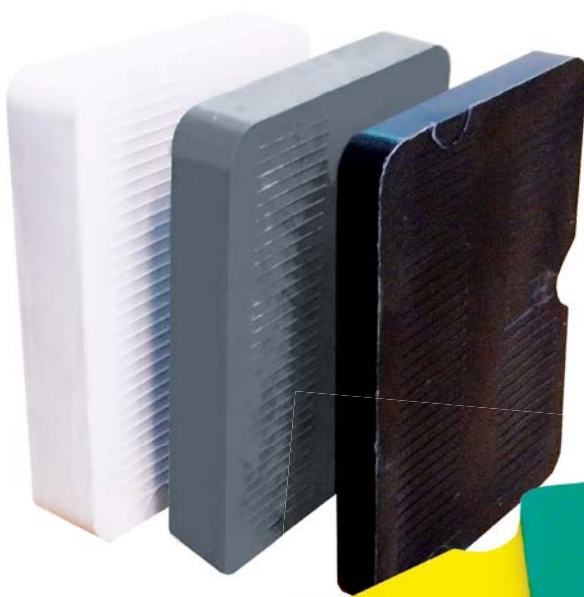

Part No.	Thickness	Colour	Pack Qty	Pallet Qty
HPS01	1.0mm	Brown	400	67200
HPS02	2.0mm	Blue	400	57600
HPS03	3.0mm	Green	200	38400
HPS05	5.0mm	Yellow	200	25600
HPS10	10.0mm	Black	80	12800
HPS15	15.0mm	Gray	80	8640
HPS20	20.0mm	White	60	6480

» SIZE

100mm x 75mm

» TEST RESULTS

All half shims are tested and meet current Australian standards. Test results are available upon request.

BUILDERS' BUCKETS

BUILDERS' BUCKET

Perfect for the builder and handyman. Each bucket comes with a variety of 75mm only horseshoe packers in smaller amounts so the user doesn't have to carry large stocks. Excellent retail type product for the reseller.

» FEATURES

- Colour for easy identification
- Will not rot
- High compressive strength
- Will not shrink
- Termite proof
- Constant thickness

Part No.	Description	Carton Qty	Pallet Qty

SP15	15mm	Grey	40
SP20	20mm	White	30

» SIZE 90mm x 90mm

» TEST RESULTS

All stump packers are certified and meet current Australian Standards. Test results are available upon request.

GLASS SETTING BLOCKS

» DESCRIPTION

Injection moulded polyethelene solid blocks for the leveling and positioning of glass into aluminium frames. Fully endorsed by major Glass manufacturing companies.

Each block has a shore hardness of around the 80 mark.

» FEATURES

- Consistent sizing for accurate leveling
- Parts will not break down or deteriorate
- Sizing engraved on each part for easy identification
- Ideal for double glazing projects
- Suitable for use with all silicones

Part No.	Description	Ctn Qty
GSB310	Glass Setting Block 3.0 x 10.0mm x 60mm	5000

ID PLATES

» DESCRIPTION

Brightly coloured moulded plate for the identification of precast concrete products. Can be easily written on with permanent marker, and is quickly and securely fastened to the side wall of boxing, ready for encasement of concrete. Small ribbed legs help maintain permanency.

Part No.	Size	Carton Qty	Pallet Qty
CIDPL	180 x 75mm	60	2160

» COLOUR

Yellow

*Other colours available upon request.
Minimum Order quantities apply.*

PANEL MESH CHAIRS

» DESCRIPTION

Panel chairs are used in the precast panel industry for holding mesh and some reo-bars at a required height prior to concreting. The four small points at the bottom of each chair reduces the unsightly exposure of plastic when the panel is erected. Each part is coloured in a light grey, so as to blend with the colour of natural concrete. Each part is strong and designed to withstand foot traffic whilst preparing for concrete.

Size	Part No.	Description	Carton Qty	Pallet Qty
30/40	MC30-40	To suit panel thickness of up to 100mm	100	50 Bags
50/60	MC50-60	To suit panel thickness of 100 - 125mm	100	50 Bags
65/75	MC65-75	To suit panel thickness of 120 - 175mm	100	50 Bags
90/100	MC90-100	To suit panel thickness of up to 200mm	100	50 Bags

CONDITIONS OF SALE

Goods supplied by Nuplas Pty Ltd are supplied upon the following terms and conditions, and not otherwise, and Nuplas Pty Ltd expressly rejects any conditional sales order placed by the purchaser.

1. A contract is formed when Nuplas Pty Ltd has received an order and either sends the purchaser a written acceptance or dispatches goods pursuant to the order.
2. The price is that quoted by Nuplas Pty Ltd in respect of the particular order and not in any brochure or other product information published. Prices are ex-factory and are subject to GST where applicable. The purchaser shall arrange to bear the cost of delivery, freight and insurance, unless otherwise agreed to by Nuplas Pty Ltd.
3. Dispatch dates will be observed subject to Nuplas Pty Ltd's ability to effect transport by available means.
4. No claims in reference to items covered by any invoice will be recognised unless made in writing within 7 days of delivery.
5. Payment is to be made within 30 days following the month in which the invoice is rendered and if not paid as aforesaid Nuplas Pty Ltd may charge interest at prevailing bank overdraft interest applicable to it commencing at date of invoice.
6. Unless presented by statute all implied terms, conditions and warranties are excluded. Nuplas Pty Ltd is not responsible for the use or misuse of the goods or the installations thereof. The purchaser's remedy for any breach of condition warranty or condition of goods shall be limited at the discretion of Nuplas Pty Ltd to the replacement of the goods and shall not include any consequential loss or damages in the event of any defect in or failure of goods.
7. All goods are supplied subject to retention of title. The goods remain the property of Nuplas Pty Ltd until complete payment of all claims due to Nuplas Pty Ltd arising from all business transactions between Nuplas Pty Ltd and the purchaser. Prior to use or resale of goods the purchaser shall maintain them in an identifiable condition in store or on site. The purchaser may resell the goods in the ordinary course of business, subject to maintaining Nuplas Pty Ltd's rights against the goods, and acting as fiduciary in recovering payment of the goods and segregating such proceeds for the account of Nuplas Pty Ltd until Nuplas Pty Ltd is paid in full. The purchaser assigns to Nuplas Pty Ltd any claims or rights against sub-purchasers in order to enable Nuplas Pty Ltd to make full recovery of monies owed to it in respect of the goods. In the event of the failure of the purchaser to pay for goods or in the event of the appointment of a receiver and manager, liquidator, agent in possession or execution or distress, Nuplas Pty Ltd may enter the purchaser's premises or where the goods may be stored or installed and recover them, or appoint an agent in writing to do so and the purchaser acknowledges and guarantees such right of entry during normal business hours. The purchaser shall be required to pay in full any Debt Collection Agency fees, charges and commissions plus real expenses incurred by Nuplas Pty Ltd for the recovery of any monies outstanding in excess of our normal trading terms.
8. This sale is governed by law of Victoria. All disputes arising hereunder will be dealt with in the courts of Victoria and courts hearing appeals therefrom.
9. Nuplas Pty Ltd does not waive any of its strict legal rights in respect of these conditions or the goods, and shall not be bound by any waiver made by its servants and agents on a particular occasion.
10. The purchaser hereby releases, indemnifies and defends Nuplas Pty Ltd from and against any losses, liabilities, claims suits and costs caused by or arising out of the way in which the goods are packaged, if the goods and any packages or containers in which they are contained are made in compliance with the purchaser's design or specification.
11. Nuplas Pty Ltd will not be responsible for any delay in or failure of performance of supply of delivery of goods caused by circumstances beyond its control including, but not limited to, strikes, lock-outs, labour disturbances, Act of Government, riot, civil war, commotion, fire, flood, failure of power supply or similar event, and shall not be liable for any consequential loss, damage, expense or claim suffered by the purchaser or any other party as a result of any such event.
12. Nuplas Pty Ltd may in its absolute discretion, accept the return of standard products, (but not special products) to the credit of the purchaser, provided that such products are returned to its factory unused and undamaged before the expiry of 14 days after their delivery to the purchaser and the purchaser agrees to pay a handling and administration charge equal to 10 per cent of the price. No returns of special products will be accepted.
13. Acceptance of services and or goods from Nuplas Pty Ltd is an acceptance by the purchaser of these conditions.
14. These conditions will not be varied unless Nuplas Pty Ltd agrees in writing.
